## MERN Stack Developer

📍 Dhaka, Bangladesh ✉ masumbillah065@gmail.com 📞 +8801850022267 🌐 in/masum065/  
📄 /masum065 🌐 https://masum0.web.app/

## SUMMARY

I am a MERN stack developer and passionate about programming. I am strongly committed to be a solid software engineer and develop efficient software systems. I am interested about building excellent software that improves the lives of those around me.

## PROGRAMMING SKILLS

**Comfortable:** Javascript, ES6, ReactJS, React Router, HTML5, CSS3, Bootstrap, JQuery, SCSS etc.

**Familiar:** Node.js, Express, Firebase, Redux, MongoDB, Material-UI, C Language, OOP, WordPress, Responsive Design etc.

**Tools:** Git, GitHub, GitLab, Jira, NPM, Heroku, Netlify, Chrome Dev Tool, VS Code, Linux, Slack etc.

**GitHub:** <https://github.com/masum065>

**Linkedin:** <https://www.linkedin.com/in/masum065/>

## PROJECTS

### Creative Agency

Full stack agency service web application where any user can place any service order from his user panel to view its status and give feedback of the service. With the admin can add new services from its panel, manage user orders and make someone as new admin.

**Technology:** React, Router, Firebase Auth & Hosting, NodeJs, ExpressJs, MongoDB, Heroku, Bootstrap4, Styled Component etc.

📄 [Website](#) | [GitHub](#)

### Volunteer Network

In this MERN project you as a volunteer, you can subscribe/unsubscribe one or more events as you wish with your own information. Admin will be able to control the information of all volunteers and add new events.

**Technology:** React, Router, Firebase Auth & Hosting, NodeJs, ExpressJs, Multer2.0, MongoDB, Heroku, Bootstrap4, FontAwesome etc.

## COURSEWORK

### Complete Web Development

**Programming Hero** • 2020 • HTML5, CSS3, SASS, BOOTSTRAP4, REACT, NODE, EXPRESS, MONGO, FIREBASE, HEROKU.

### Javascript: All You Need To Know

**Stack Learner** • 2020 • Vanilla Javascript, DOM Manipulation.

### PSD TO HTML

**RR Foundation** • 2019 • HTML5, CSS3, JQUERY, BOOTSTRAP4, RESPONSIVE LAYOUT.

### 150 Section Development

**RR Foundation** • 2019 • HTML5, CSS3, JQUERY, BOOTSTRAP4, RESPONSIVE LAYOUT.

### Professional Web Design

**Creative IT Institute** • 2018 • HTML, CSS, JQUERY, BOOTSTRAP, WORDPRESS.

## CERTIFICATIONS

### Professional Web Design

Creative IT Institute • 2018

### Skill Development for Mobile Game & Application

ICT DIVISION • 2018

## EDUCATION

### Diploma in Computer Engineering

Minor in Computer • Mymensingh Institute Of Science & Tecnology • Mymensingh, Bangladesh • 2018

### Secondary School Certificate

Mukul Niketon High School • Mymensingh, Bangladesh • 2014

## HOBBIES

Chess, Traveling, Cycling, Internet Browsing.
